SUBJECT: NOTIFICATION OF SEX OFFENDERS

In accordance with the Sex Offender Registration Act ("Megan's Law"), the Board of Education supports the New York State Department of Criminal Justice Services (DCJS) in its effort to inform the community in certain circumstances of the presence of individuals with a history of sex offenses, particularly against children, in the school locality. This policy is enacted in order to minimize the possibility that the sex offender will come in contact with school-age children, and to assist law enforcement agencies in preventing further criminal activity from occurring. Furthermore, the District shall cooperate with local police authorities and the local community in promoting and protecting the safety and well being of its students.

Information that is disseminated to the School District pursuant to Megan's Law may be disclosed or not disclosed by the District in its discretion. Any information which the School District receives regarding a sex offender from a source other than the Sex Offender Registry, and which is maintained independent of the requirements of Megan's Law, will be available from the District, upon written request, in accordance with the requirements of the Freedom of Information Law (FOIL).
