Welcome to 3rd Grade!

Below is a list of supplies all third-grade students will need to come to school with in September!. ***We ask that all student supplies be labeled with the student's name so that we can ensure each child's items are kept separate, this definitely will help us!!***
If you have any concerns regarding these supplies, please reach out to us. We look forward to supporting your family as we begin the school year.
Have a wonderful rest of your summer; we will see you in the fall!
