SABER NEWS

March 2025

From the Administration

As we welcome March, I want to take a moment to reflect on all the incredible accomplishments of our students in February—there were many!

Our student-athletes had a standout month, demonstrating their hard work, talent, and dedication to their teams. Congratulations to the Girls JV Basketball team, who won the STAC Championship for the second year in a row! The Boys Swim team also made history, competing in the STAC Championship for the first time. In bowling, Allicyn Basaha qualified for the State Bowling Qualifiers, and in cross country, Aiden Skuban was selected for the Elite 10 Boys Cross Country Team. Our Varsity Cheer team showcased their skills at both the STAC Championship and Nationals, representing SVHS with pride. In addition, we celebrated many senior nights throughout February, honoring our Senior student-athletes as they finished out their winter seasons. We are incredibly proud of all of our Sabers and can't wait to see what they accomplish next!

The stage was also full of talent this past month with our musical production of *Hadestown* (High School Edition). This show was an ambitious production that highlighted the incredible talents of our students both on stage and behind the scenes. The cast, crew, and directors poured their hearts into this performance, and their hard work paid off with a phenomenal show. Bravo to everyone involved in bringing this story to life—you made SVHS proud! We also had one of our students, Asher Valentine, earn the Gold Key in Photography at the 2025 Regional Scholastic Art awards. Congratulations!

Beyond athletics and the arts, our students continue to shine in academic and career-based competitions. Congratulations to Cali Graham and Macadia Heavey, who placed in the Regional SkillsUSA competition and will move on to the NYS SkillsUSA competition in April! Meanwhile, our 10th-grade students visited BT BOCES for the CTE Visitation, exploring career and technical education programs that offer hands-on learning opportunities. The National Honor Society also hosted a blood drive, giving back to the community in a meaningful way. Thank you to all who donated and helped make this event a success!

I would also like to recognize some of our highest academic achievers—the Class of 2025 Valedictorian and Salutatorian and our Top 10 students. A huge congratulations to Valedictorian Nassar Al-Khalidi and Salutatorian Andrew Waite for their hard work and dedication to academic excellence. Joining them in the Top 10 (in alphabetical order) are:

- Jacob Bailey
- Nicolla Bronikowski
- Myles Clement
- Julie Lamantia
- Norah Schneider
- Lillian Short
- Alexandria Stewart
- Madelyn Strnatka

Achieving a place in the Top 10 is no small feat—it takes years of commitment, resilience, and an unwavering dedication to learning. We are proud of all of these students and commend them for their accomplishments, as well as all of our Senior Sabers!

As we look ahead to March, we are entering the final stretch of the third quarter, and I encourage all students to stay focused, put in their best effort, and finish strong. A strong third quarter sets the stage for a smoother fourth quarter and will make final exam preparation much easier. Teachers and staff are here to support students, so please take advantage of extra help sessions, peer study groups, and all the resources available.

We are also excited to kick off Workforce Wednesdays this month! This is our 3rd year, and each Wednesday, local businesses will visit SVHS to introduce students to different industries, career paths, and job opportunities available in our area. We have a full schedule of businesses booked for March, and this is a fantastic way for students to explore career possibilities and make connections for the future.

Hopefully, as we move further into March, spring will finally start to show itself (though we know Upstate New York tends to keep us guessing!). Warmer days, longer daylight hours, and the promise of a fresh season can be a great motivator for students to stay engaged, set goals, and finish the school year on a high note.

As always, thank you for your continued support of SVHS!

February 2025

Scholarship Availability

Seniors - Scholarship availability for students considering further education picks up between January & May. Students will want to check several places for a list of scholarships:

- Class of 2025 Google Classroom- Scholarship List
- SV Dollars for Scholars - this application is open! Students will work on it during English class. Copies of student transcripts have been provided to the English teachers. Deadline to submit the application is **April 12, 2025**.

The Scholarship Foundation has increased its awards each year and currently presents between \$10,000 and \$15,000 to members of the graduating class. The Scholarship Foundation depends upon the generosity of the SV community to raise these graduation awards. Please consider a tax-deductible donation to assist us in our mission. Donations may be mailed to:

Susquehanna Valley Scholarship Foundation/Dollars for Scholars, P.O. Box 382, Conklin, New York 13748. In addition, the foundation is always looking for new members. It doesn't require a huge time commitment - usually only an hour or two per month. The foundation committee typically meets on the third Wednesday of each month in the SV High School library. Please consider joining! If you would like more information regarding the permanent endowment programs designed to recognize members of the Susquehanna Valley School Community, please contact **Sydelle Steward**, the Susquehanna Valley Senior High School Principal.

Junior Awards and Scholarships!

Each year there are a handful of colleges that offer awards to students for their success in school and involvement within the community. These awards have scholarships attached to them if the student decides to attend that college after graduation from high school. Our mission is to recognize worthy students while trying our best to match the award to students who may end up attending that college. With that being said, we are asking students to complete a Google form to express their interest in particular awards/colleges. A committee will then come together to nominate students for each award. Colleges that offer awards/scholarships are:

The University of Rochester
Elmira College
Russell Sage College
Rensselaer Polytechnic Institution (RPI)
Clarkson University
Rochester Institute of Technology (RIT)
LeMoyne College
Wilkes University

Alfred University
Alfred State
Keuka College

To be considered, students must fill out the Google form by **Friday, March 7**. The form was sent to students and families on parent square and was posted to the Class of 2026 Google Classroom. Please contact the guidance office with any questions.

SUNY College Fair for Juniors!

Juniors are invited to attend the SUNY College Fair at Broome Community College on Thursday, March 27th. Students will have the opportunity to meet with representatives from over 35 SUNY colleges. The bus will leave SV at 9:25 a.m. and return by 11:00 a.m. Permission slips are due the counseling office by **Thursday, March 20!**

Workforce Wednesday

Susquehanna Valley High School's 2nd Annual "Workforce Wednesday" is underway. We are widening our students' knowledge of job or career opportunities available after graduation, be it from high school, trade school, or college, and developing their understanding of what makes a good employee. Employers will be set up in the Library for students to visit during Saber Time and/or lunch periods (10:30 a.m. - 1:00 p.m.). Please encourage your students (especially Junior or Senior students) to attend as many of these opportunities as possible. Many of these employers have apprenticeship openings, and summer and full-time jobs available. A list of questions to ask a potential employer is available to help start the conversations. You never know when an opportunity can help a student choose a path.

SAT and ACT

There is still time for college-bound seniors to take the SAT or ACT. While some schools have a test-optional policy, there are schools and programs that require SAT or ACT scores. Both exams have fall test dates!

Preparing for the SAT/ACT:

Students should familiarize themselves with the test(s) and create a study plan. Here are some tips on how to prepare for the SAT/ACT:

- Khan Academy
- This is a free, personalized, online study tool. Khan Academy has partnered with College Board to deliver a tailored guide to the SAT based on the student's PSAT results. If a student took the PSAT in October, they can link their results to Khan Academy!
- SAT Practice Tests: - <https://collegereadiness.collegeboard.org/sat/practice/full-length-practice-tests>

ACT Practice Tests: <https://academy.act.org/>

Please check with the schools you are interested in for the most up-to-date information. If you are still interested in taking the SAT/ACT, you must register online at www.collegeboard.org for the SAT or www.actstudent.org for the ACT. SV is not a testing site, but our students can test at local high schools in the area such as Binghamton HS, Vestal HS or Maine-Endwell HS.
