From the Administration

Welcome back to a new and exciting school year at SVHS! As we open the doors for the 2024-2025 academic year, I am thrilled to see the familiar faces of our returning students and to welcome our new students and their families. It has been quiet around here this summer without students in the building!

I hope that everyone had a refreshing summer break and is ready for the opportunities and challenges that this new school year will bring. Our building has transformed with the capital project, and we are almost there! For now, we have an alternate entrance and exit for the start and end of the day, but soon we will move back to the main entrance. We are almost settled into the new Main Office, Nurse's Office, and Guidance Office... please pardon our dust as we get everything settled! I cannot wait to invite everyone in to see the new spaces once we are all set!

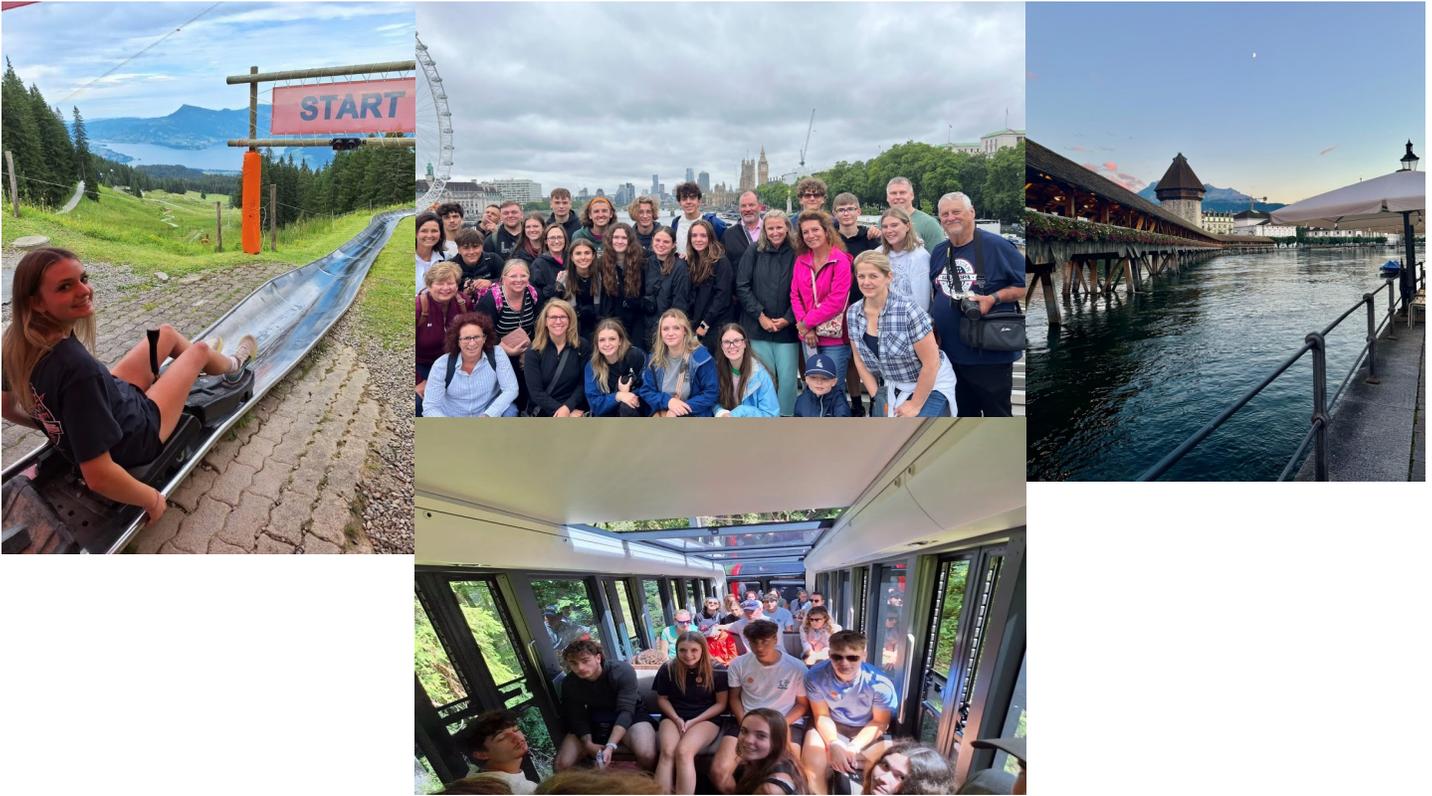

Over the summer, many of our students were actively engaged in experiences and activities that I am excited to share with you. Firstly, I want to highlight the incredible experience of a group of our students who embarked on a remarkable educational journey to Europe. This summer, a select group had the opportunity to travel to London, Brussels, Lucerne, Zurich and Munich to name a few! They explored historical landmarks and engaged in many cultural experiences. For instance they made waffles in Belgium, took a walk along the Thames River, rode a toboggan, and took a swim in Alpine lake. So cool! Their experiences abroad not only broadened their horizons but also allowed them to gain invaluable insights that they will carry forward in their academic and personal lives. We look forward to hearing their stories and reflections throughout the year!

Additionally, Liberty Partnership was instrumental in bringing the Conklin Summer Fun Program to life at Donnelly this year. I do have to say I missed it being housed at the High School! The program provided a fantastic array of activities for students, and it was a wonderful opportunity for our younger students to engage in fun and learning over the summer months. I had the opportunity to attend the Liberty Partnership Expo this summer where students spoke about the impact they have on the community. A heartfelt thank you goes out to all the student staff members and Liberty Partnership Coordinators who makes this program a success and provided a memorable experience for the children.

As we gear up for the school year, I want to remind everyone of the importance of staying engaged and proactive. Whether you're returning to continue your journey or starting at the High School as a Freshman, I encourage each of you to take full advantage of the resources and opportunities that are available. We are all dedicated to supporting your academic and personal growth, and we are excited to work with you to achieve your goals.

Let's make this year the best one yet! Here's to a fantastic school year ahead!

Thank you to Myles Clement for the pictures from the first day of school!

PSAT:

Susquehanna Valley High School will be offering the Digital PSAT/NMSQT on Wednesday, October 9 to 10th and **11th graders (priority for 11th)**. The Digital PSAT is essentially a practice Digital SAT that will help students prepare for the actual Digital SAT, usually taken in May or June of their junior year. The Digital PSAT also has a scholarship opportunity attached to it. Only 11th graders with qualifying scores on the Digital PSAT will be entered into the scholarship competition. The deadline to register for the test is Thursday, October 3. **Students will use their chromebooks to take the test digitally.** Students are not officially registered until payment is received. Due to the digital nature of the exam, students that register after the deadline may not be able to test.

Sections and Timing of the Digital PSAT:

Reading and Writing Section- 64 minutes (two modules within the section)
Math Test - 70 minutes (two modules within the section)

Benefits of the Digital PSAT:

- Preparation for the *Digital SAT*
- You can get a sense of your SAT score
- Pinpoints areas for development
- Free, personalized study plans through Khan Academy
- Scholarship opportunity (NMSQT)
- Connect with colleges and universities

Where: HS Small Gym

Materials to bring: **CHARGED CHROMEBOOK**, Number 2 pencils, scientific or graphing calculator

The PSAT

October 9 at 8:00 a.m.

The Preliminary SAT, also known as the PSAT/NMSQT® (National Merit Scholarship Qualifying Test), is a practice version of the SAT exam. You can take the PSAT once per year, and many students take it in 11th grade. The PSAT **cost is \$18.00** and can be paid via cash or check made out to the Susquehanna Valley School District. Payment and permission slips should be turned in to the High School Guidance Office by noon on **October 3**. For fee waiver consideration please call 775-9115. **The PSAT will be digital this year.** This means students taking the PSAT **MUST** bring a **CHARGED chromebook** on the day of the test. We will not have spare chromebooks available.

The test lasts about 3 hours and tests reading, writing, and math skills. Unlike the SAT, the highest score possible on the *Digital PSAT is 1520*.

I would like my son/daughter:

Dear Parent or Guardian of Junior and/or Senior Students:

This is to inform you that a provision of the federal No Child Left Behind Act of 2001 requires the school district to provide students' names, addresses and home phone numbers to military recruiters when requested.

To exercise your legal right to have this information kept private, you should use the form below to notify the school office that you do not wish this information to be released. Please note that unless you use this "opt out procedure" the school district cannot refuse the military recruiters' requests and you and your student may be contacted by them at home.

Senior Photos and Grad Ads for the Yearbook

Please be advised of the following important dates regarding your child's senior year deadlines for Yearbook submissions:

Senior Portraits

Schedule your **senior portrait** to ensure proper delivery to the school. Senior portraits are **due Friday, December 6**. Failure to meet this deadline may result in an absence of a senior portrait. Please note that September 19-20, are picture days at the high school. This is the opportunity for students to get their photo taken (at no charge!) for identification cards. If you are unable to schedule a senior portrait, plan on using these days or November 6, (our retake day) as an opportunity to get a senior photo. Seniors need to get their photo taken on these dates to receive an ID card. No costumes or props will be allowed for photos.

Portrait Requirements

Senior Portraits must be submitted electronically (CD, email jpeg, USB). The digital image must be a resolution of 300 dpi and the color mode must be RGB. The image should be sized to a 5x7 image to ensure proper clarity. The yearbook is an all-color book so please plan accordingly when choosing a photo for the yearbook. To maintain a consistent look, only head and shoulders will be in the yearbook photo. No costumes or props will be allowed for photos. Photos submitted should be in color and with a simple background. The SVHS yearbook reserves the right to refuse a photo not meeting specifications.

Senior portraits are due Friday, December 6.

All electronic submissions are to be sent to Mr. Dana Zietz at dzietz@svsabers.org. If submitting in person, please see Mr. Zietz in room 22 in the High School. Any picture received after the due dates listed are not guaranteed to be in the yearbook. It is the student's responsibility to check with their studio to see if the studio has submitted the senior portrait to Susquehanna Valley. Portraits from Sean Murphy Studios will automatically be sent to the school.

For the 2024-2025 school year, our yearbook photo contract is with Sean Murphy Studios. They offer free yearbook sessions in their Binghamton studio for all Susquehanna Valley seniors. Sean Murphy Studios also offers full senior sessions which include the sitting and a selection of prints or digital images starting at only \$100. Many of their senior portrait collections include multi-location sessions with custom photoshop graphics, personal smartphone apps, and some even include 50 free prints! For more information, please visit: <https://www.seanmurphystudios.com/svsabers> or call 607-203-9043.

We encourage your child to schedule an appointment with Sean Murphy Studios **because it helps defray the cost of the yearbook.**
