After reviewing your application, you will be contacted to arrange an interview with me or one of our building administrators. Upon your Board of Education approval as a substitute teacher, you will receive written confirmation of your appointment. Our District utilizes the AESOP automated substitute service. This service simplifies and streamlines the process of finding and managing substitute jobs for both the substitute teacher and the school district. This system will be fully explained when you become employed with the SV District.

**The following per diem rates shall apply to substitute teachers for the 2022-2023 School Year:**

- **NYS Certified - \$130**
- **Uncertified - \$117**

Proof of NYS Certification ***must*** be provided with your application in order to receive the Certified Substitute Rate of Pay. A copy of your **NYSED TEACH** account page that indicates your certification status is acceptable.

**New York State law requires that all personnel must be fingerprinted for employment and processed through the Office of School Personnel Review and Accountability (OSPRA), NYS Education Department. If you have obtained your NYS teaching certification after 2001, you have already been fingerprinted, and you do not have to do it again. If you have not applied for a NYS teaching certification, you will need to be fingerprinted. The current fee for fingerprinting is **\$101.75**. If you accept employment with SV, you must complete the fingerprinting process before your appointment goes before the Board. Information and instructions on fingerprinting are included within this packet.**

I hope that your anticipated experiences at Susquehanna Valley will be successful ones.

Yours truly,  
Catherine Kacyvenski, Assistant Superintendent
